# Diplomacy Language Course

---

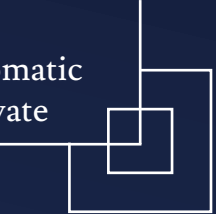

Our diplomatic courses are dedicated to promoting modern diplomacy and contributing to the understanding and analysis of the emerging dynamics in global affairs.

This course is designed specifically for diplomats, representatives of international organizations, negotiators, journalists, analysts, and all other professionals whose responsibilities involve effective engagement in diplomacy and international relations. All instruction is offered either in French or in English.

RFI can organize «à la carte» programs upon request from governments, diplomatic missions, regional and international organizations, NGOs and public or private institutions.

# OBJECTIVES : METHODS : RFI SPECIALIZES IN:

- Expand knowledge of major global political, strategic and economic challenges
- Understand the functioning of international institutions
- Develop proficiency with major protocol and diplomatic rules and customs
- Knowing how to develop a negotiation plan and setting priorities and objectives
- Review resources and techniques in an international context
- Acquire techniques and methods for negotiation and crisis management
- Develop relevant professional networks

- Practical methods designed to develop professional skills
- Scenario-building and role-playing
- Instruction by experienced trainers
- Program dedicated to economic and trade diplomacy

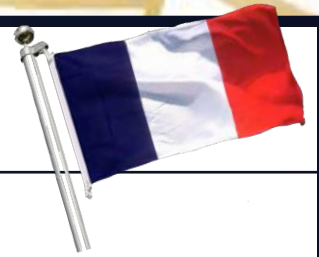

Each course or program is designed in consultation with the client or institution in order to meet specific needs and interests. Content, duration and structure vary in accordance with the priorities and expectations of the participants.

- Designing “à la carte” training tailored to diverse aspects of diplomacy
  - Adapting the content of its programs in response to specific needs of each participant
  - Handling the planning and logistical coordination: accommodation, visits, travel, cultural activities
  - Organizing training programs in French or English upon request
- Courses will be taken on face to face, including :
- Learning materials
  - French or English mother-tongue certified teacher (all courses are taught in French or English)
  - The general content of the course covers: Specific program on diplomatic French or English & civilization with oral and written comprehension, written and spoken French or English
  - You will receive an official certificate from RFI with your CECR level.

# Our schools

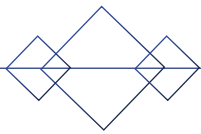

## IN CANNES

Our center is situated in the heart of Cannes, adjacent to the main railway station and a stone throw from 'La Croisette' and the city's main beaches. The Institute has 19 bright, spacious and comfortable classrooms that can easily accommodate up to 15 students.

Each are equipped with air-conditioning, state of the art interactive boards, white boards, video, audio and E-materials.
