

# **JUNIOR SUMMER CAMP**

*in the bay of Cannes*

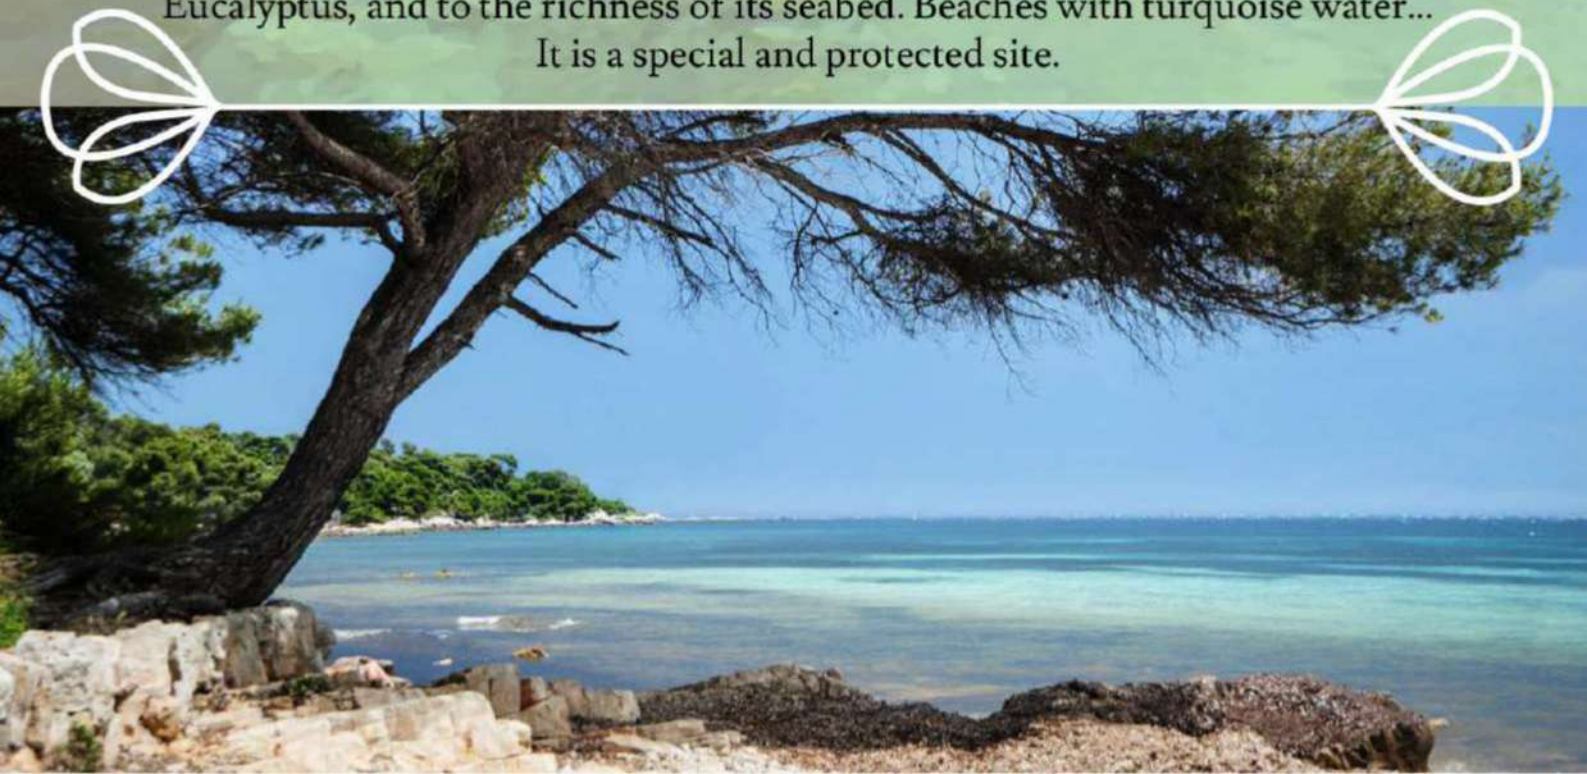

THIS EXCLUSIVE JUNIOR SUMMER CAMP  
IS AVAILABLE ONLY FOR A GROUP !

The Royal Genovese Fort is classified as a historic monument and located on one of the two Lérins Islands: l'Ile Ste-Marguerite. Its buildings, steeped in history, make it a place of exceptional educational value.

It is the nearest island to Cannes (15 minutes by boat) and a truly peaceful haven where traffic is prohibited. It stretches for over 167 hectares. The incomparable beauty of this site is due, in particular, to its 150 hectares of forest of Aleppo Pines, Umbrella Pines and Eucalyptus, and to the richness of its seabed. Beaches with turquoise water...

It is a special and protected site.
